

Best-in-classroom options earn a gold star!

E-Rate eligible UPS solutions from Eaton

Eligible schools and libraries (Category Two) qualify for discounts on telecommunications equipment and services, and Internet access, as well as internal connections, managed internal broadband services and basic maintenance of internal connections. Eaton offers a wide selection of Category Two-eligible products to facilitate broadband internal connections.

For both rack and standalone installations, Eaton's 5- and 9P Series deliver premium backup power and scalable battery runtimes for servers, voice/data networks and storage systems. Consult the chart on the back of this flyer for all your options – even match-and-replace units from APC, Tripp Lite and CyberPower!

All E-rate eligible SKUs offer:

› Deal Registration Discounts

Protect your deals from direct competition and get up to **20% additional discounts**, ensuring you get the best price. Register your opportunities at poweradvantage.eaton.com.

› Free Power Assessments

\$1,500 value – price waived for your customer. Eaton field sales team available throughout U.S. to perform on-site or virtual power assessments on your behalf.

› Special Discounts

Check with your TD Eaton representative to get the latest promotion details.
