

Eaton gets IT – in every environment

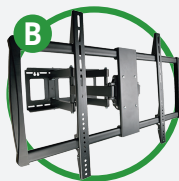

Retail solutions

Reinvent your retail space
with high-speed connectivity
solutions and safe, reliable
power protection.

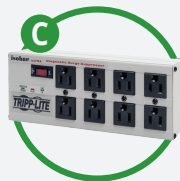

Wall-mount racks

Secure and organize up to 26U of IT hardware, rack-mount A/V equipment and other devices while preserving back office space.

Display mounts

Mount flat-screen displays and tablets on a wall. Floor stand and desktop tablet mounts are also available.

Surge protectors

Safeguard electronics against surges, spikes and line noise. USB charging options available.*

UPS systems

Provide battery backup to prevent downtime. Networked UPSs can reboot unresponsive devices automatically.

Wi-Fi enclosures

Keep wireless access points discreet and protected against theft, damage and tampering. NEMA 4 models mount outdoors.

Charging stations

Charge, secure and organize up to 48 tablets or laptops in a conveniently mobile cart or desktop stationary cabinet.*

Power strips

Distribute power with up to 24 outlets on horizontally or vertically mounted units.*

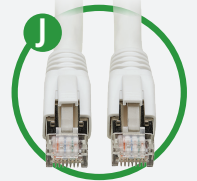

Extenders

Extend an AV or USB signal from the back office to a front office, customer space or production area. PoE models available.

HDMI cabling

Connect up to 8K video and audio sources to HDTVs and other displays.*

Ethernet cabling

Connect network equipment with up to 40G speeds and shielding, slim design and snagless connector options.*

*To promote healthier retail spaces, Safe-IT™ antimicrobial and antibacterial options are available for select models.

Tripp Lite is now part of Eaton

With the acquisition of Tripp Lite, Eaton has transformed its distributed IT infrastructure and connectivity product portfolio. Eaton's Tripp Lite series products provide convenient, reliable and cost-efficient IT solutions that integrate seamlessly with Eaton's industry-leading enterprise power management products and services.

Eaton gets IT – in every environment

Retail solutions

Customers agree: our selection and service are second to none!

Very nice product, well made

"Wall-mount mini rack is a very nice product that is well made and since it comes completely ready to install, there is no wasted time trying to figure out how it goes together."

You can't go wrong with the product

"Tripp Lite by Eaton is a trusted name for a reason. I own six of these UPS units and have never had any trouble. The company is easy to deal with, and customer service is top notch."

Ken
Verified Buyer

Good display mount, compact yet rugged

"Good mount! Compact yet rugged. Well designed, all hardware needed is included. Good warranty."

Alex

Efficiency is one of the reasons we chose Eaton

"Efficiency (of the UPS) was important to us and was one of the reasons we originally chose Eaton."

Director of Systems Engineering
Grocery store chain in southeastern U.S.

Exactly what I was looking for

"I ordered 6 other wi-fi enclosures before I found this one that is exactly what I was looking for. The lock on the box is nice to have. I can't wait until it is installed."

Rich
Holly Spring, NC

If you need to sync iPads, this is for you

"I put this rack-mount charging station in my iPad cart. When I need to update the iPads with Configurator, I can plug in my laptop and sync it to the iPads. This is just what was needed."

Mark
Greenville, WI
