

I'VE NEVER SEEN
DISCOUNTS LIKE THIS
– AND I SEE A LOT!

Eaton's NEW software bundle discount for IT Resellers

From May 1 through December 31, 2022

Eaton makes it simple to stay on top of trends in your environment, allowing you to identify and resolve issues when you use the **Eaton Brightlayer Data Centers suite**. While you're helping customers **reduce operational expenses, improve speed and reliability**, and **mitigate risk**, you'll be creating opportunities for yourself to:

- ✓ Create a stream of recurring revenue
- ✓ Reduce the cost of monitoring and managing newly acquired and existing distributed power infrastructure
- ✓ Build in value-add for your hardware quotes
